

GA - Personnel Committee Goals

The Board recognizes the responsibilities of the Personnel Committee. The board is dedicated to providing oversight and has outlined the responsibilities of this committee.

The Board's specific personnel goals are:

- to review and recommend benefit programs sufficient to attract and retain qualified employees as requested.
- to review the assignment of personnel with administration to ensure they are utilized as effectively as possible.
- to recommend salary proposals and positions to the Finance Committee.
- to assist administration with possible employee disciplinary actions as requested.
